I thank you so much for your fabulous effort in making our wedding reception such a hit with everyone. Luke and I had a terrific time, the whole occasion was perfect. We had many comments on your Elvis performance as they all thought you were great. I think it's a nice idea to have a short show so that everyone can sit back and relax and be entertained. I know the speeches dragged on a bit but overall we were really pleased with the evening. Couple of snap shots for you, I'd certainly recommend you to others. Best of luck in the future - The legend lives on!
