Andrew performed a Elvis Tribute show for my dad's 60th Birthday in Drouin on the 22nd November 2008. He was a huge hit with the crowd. Every one of all ages from 18months to 60+ years were up and dancing and were entertained all night. Andrew had a friendly personality from the moment he arrived at the venue.

Re: Andrew Portelli

This is to confirm that Andrew Portelli was the entertainer in the Gallery Café at the Hilton on the Park Melbourne on New Year's Eve 1998.

Andrew's impersonation of the King of Rock n Roll, Elvis Presley, was very professional. His performance was very well received by all the guests in the Gallery Café and from other function areas as well. Due to popular request, Andrew has been selected as the entertainer once again for the Gallery Café for the biggest party of all - New Year's Eve '99.

I would like to take this opportunity to wish Andrew Portelli the very best for the future.

If you require a verbal confirmation of the above, please do not hesitate to contact me on 9412 3154.

Thank you so much for your fabulous effort in making our wedding reception such a hit with everyone. Luke and I had a terrific time, the whole occasion was perfect. We had many comments on your Elvis performance as they all thought you were great. I think it's a nice idea to have a short show so that everyone can sit back and relax and be entertained. I know the speeches dragged on a bit but overall we were really pleased with the evening. Couple of snap shots for you, I'd certainly recommend you to others. Best of luck in the future - The legend lives on!
